Links to Music online:

Here are sites I have used. Note, not all the scores are Spanish, but a lot of period Spanish music is here.

<http://www.upv.es/coro/victoria/varios.html>

<http://www.solovoces.com/partituras.html>

And here's an SCA link to scores from the Llibre Vermell

<http://www.sca.org.au/bardic/rbom/rbom.html>

Another useful link. Besides discussing Spanish Music at the beginning, it includes a list of links at the end with links to PDF files, (including many from the links listed above) plus discographies.
